(54) Title: METHOD FOR PARTICIPATING IN LOTTERY DRAW OVER A CELLULAR NETWORK AND SYSTEM THEREOF

(57) Abstract: A system and method are provided to allow a user of a cellular device (14) to participate in lottery drawings over a cellular network (13). The method may include, for example, providing a central lottery computer (12) for providing data related to lottery drawings, providing a cellular drawing center (11) linked to the cellular network (13) and to the central lottery computer (12), the cellular drawing center (11) to be used for mediating between a cellular device (14) and the central lottery computer (12); dialing, via the cellular device (14), an access code for accessing the cellular drawing center (11), identifying, by the cellular drawing center (11), the phone number assigned to the cellular device (14) and executing a recorded instruction for aiding the user of the cellular device (14) to execute the selection required in order to participate in one or more of the lottery drawings, submitting a confirmation message, optionally including details of the lottery drawings in which the user is participating, to the cellular device (14) for reporting to the user, and/or charging and/or crediting the user via the billing system of the cellular network (13).
